

SEAFOOD NEW ZEALAND 2001 INDEX

COMPILED BY THE NZ SEAFOOD INDUSTRY COUNCIL INFORMATION CENTRE

Using the Index

This list indexes all issues of Seafood New Zealand magazine for the year 2001. There were 11 issues published in the year, beginning with February (Vol. 9, No. 1) and ending in December (Vol. 9, No. 11). The index is organised by subject. Articles may be listed under more than one subject heading, and each entry gives the issue and page numbers where the article can be found.

Subject Headings

Aquaculture, Aquatic mammals, Commentary, Companies and Organisations, Conferences, Crustacea, Diseases & Parasites, Editorials, Eel, Environment, Finfish, Fisheries Management, Fishery Industry, Fishing Gear, Fishing Vessels, Historical, Legislation, Maori, Marketing, Museum Marine File, Oceanography, People, Retailing, Rock Lobster, Safety, Shellfish, Technology, Training and Education.
