

2000 INDEX

2000 INDEX COMPILED BY THE INFORMATION CENTRE

Using the Index

This list indexes all issues of Seafood New Zealand magazine for the year 2000. There were 11 issues published in the year, beginning with February (Vol. 8, No. 1) and ending in December (Vol. 8, No. 11). The index is organised by subject. Articles may be listed under more than one subject heading, and each entry gives the issue and page numbers where the article can be found.

Subject Headings

Aquaculture, Aquatic mammals, Asia, Australia, Biology and Classification, Bycatch, Commentary, Companies and Organisations, Conferences, Editorials, Environment, Europe, Exhibitions, Finfish, Fisheries Management, Fishing Gear, Fishing Vessels, Historical, Legislation, Longlining, Maori, Marine reserves, Marketing, Navigation, Oceanography, People, Processing, Publications, Quality, Quota, Radio, Recreational, Research, Retailing, Rock Lobster, Safety, Seaweed, Shellfish, Technology, Toxins, Trade, Training and Education, Tuna, Vessels.

Article	Month	Pages
AQUACULTURE		
What other finfish could we farm?	Apr	28-29
The Chathams - in delicate balance	Apr	32-35
Growth industry needs trained staff	Jul	74
42.25 hectare marine farm approved in Marlborough Sounds	Aug	17
Simplifying red tape aim of aquaculture consultation	Sep	17-18
Aquaculture - join the discussion	Oct	21-22
Marine natural products and aquaculture	Nov	55-56
A sperm bank for shellfish aquaculture	Nov	80-81
Aquaculture supervisory course begins	Dec	62
AQUATIC MAMMALS		
Modelling the distribution of Buller's albatrosses	Aug	40-41
Landmark proposals released to help save world's rarest dolphin	Oct	10-13
Safeguarding the world's rarest dolphin	Oct	15-18
ASIA		
Tim on travel - a view from the waterline	Feb	68-71
New Zealand seafood in South East Asia	Apr	38-39
Korean seafood market rebounds	May	20-21
China - the world's largest and most diverse seafood market	Jul	47-48
Sea cucumbers in demand	Jul	69-70
Live fish exports to China - big demand and big rewards	Aug	42-43
AUSTRALIA		
Sydney Fish Market appoints dedicated supply manager	Jun	33
Ban lifted on importing fresh salmon into Australia	Oct	23
Sydney Fish Market to introduce e-commerce business	Oct	58
BIOLOGY AND CLASSIFICATION		
False catshark - a real rarity	Feb	74-76
Watch out for sea snakes	Mar	19
A brace of boar fishes	Mar	66-68
Vagrant veifin	Apr	70-72
Small dealfishes	May	69-72
Murphy's mackerel in New Zealand waters - invasion by a highly adaptable alien	Jun	29-32
Giant sawbelly : two NZ species	Jun	86-88
Toothfish	Jul	38 -40
Blue and copper moki: one or two species?	Jul	78-79
Genetic studies on freshwater eels	Aug	50
Spectacular swallows: deepwater by-catch	Aug	69-72

Your fishes at our place	Sep	31-34
The frill shark	Sep	74-75
Bathysquilla microps	Oct	36
Alfonsino and golden snapper : splendid confusion	Oct	66-68
Marine natural products and aquaculture	Nov	55-56
Paddle crabs: biology	Nov	57
Lancetfishes: two sharp pelagics	Dec	69-72

BYCATCH

Spectacular swallows: deepwater by-catch	Aug	69-72
International forum for fishers	Oct	22
International forum in Auckland for longline fishers	Nov	10-12
International Fishers Forum report	Dec	43

COMMENTARY

SeaFIC Chief Executive comment : information needs	Feb	9
SeaFIC Chief Executive comment : the seafood industry - sustainable opportunities	Mar	7
SeaFIC Chief Executive comment : responsibility and common sense	Apr	7
Worth its weight in gold?	Apr	9-12
Land grabbing - a perspective	Apr	21-22
SeaFIC Chief Executive comment : hooked on seafood	May	13
SeaFIC Chief Executive comment : oceans policy	Jun	6
Viewpoint	Jun	26
The Captain's word is law! Isn't it?	Jun	83
SeaFIC Chief Executive comment : fisheries plans	Jul	5
President's address to the NZFCF 2000 AGM	Jul	49-50
SeaFIC Chief Executive comment : the New Zealand seafood industry's potential	Aug	6
SeaFIC Chief Executive comment : information and decision	Sep	9
The plight of the small fisherman	Sep	48-49
SeaFIC Chief Executive comment : taking to international waters	Oct	8
Reflections	Oct	19-20
SeaFIC Chief Executive comment : the economic importance of the seafood industry	Nov	8
Chief Executive comment : funding SeaFIC	Dec	7

COMPANIES AND ORGANISATIONS

JRC enjoys strong sales in New Zealand	Feb	12-16
FIICC moves on... as the New Zealand Seafood Standards	Feb	17
Last month at FishServe	Feb	23
Taranaki - a tale of two cities -	Feb	31-33
Never before has buying marine electronics been like this	Feb	36
Marching to a different beat	Feb	42-43
FishServe role & responsibilities	Mar	20
Six months at FishServe	Mar	20
Building a successful brand	Mar	23-24
Latest addition to Fisheries Management Services	Mar	28
Hampidjan becomes majority shareholder in Swan Net	Mar	32
Hampidjan buys J. Hinriksson	Mar	32
Key partnership agreement signed	Apr	45
Giving smaller companies a start	May	19-20
HAB Tec 2000	May	41
www.q-west.com	Jun	8-10
Catching up on training	Jun	82
Fishing for business	Aug	8-11
NZ Seafood Standards Council - off to a tough start	Aug	19-21
www.msa.govt.nz	Aug	23
Who are we and where do we fit into the seafood industry	Aug	24
Introducing Safe Sea Systems Ltd	Sep	11-14
Your fishes at our place	Sep	31-34
Proceeds of the Federation's Nelson shipwreck auction	Sep	49
Mahurangi Technical Institute - more to the maritime	Nov	23-24

Changes for MFish	Dec	34-35
Hooked on export success	Dec	64-65

CONFERENCES

Editorial : looking forward to the industry conferences	Mar	4
42nd Annual Conference & AGM	Mar	10-11
Food processing in focus at FoodTech 2000	Mar	56
Seafood week 2000 - destination Nelson	Apr	15
Momentum builds as invites go out for seafood industry	Apr	16
Maori commercial fisheries conference	Apr	17
HAB Tec 2000	May	41
Editorial : fish for the future	Jun	3
SeaFIC Conference 2000 - Fish for the future	Jun	34-40
Maori Commercial Fisheries Conference Te Ohu Kai Moana	Jun	47-50
President's address to the NZFCF 2000 AGM	Jul	49-50
The Recreational Fishing Council Conference Nelson - Bits & pieces	Jul Aug	Aug 26-30 44-45
Abalone (paua) - the world scene	Aug	46-47
International forum for fishers	Oct	22
Fishing close to paradise	Oct	38-39
International forum in Auckland for longline fishers	Nov	10-12
Sixth International Conference and workshop on lobster	Dec	10-12
International Fishers Forum report	Dec	43

EDITORIALS

Editorial : February 2000	Feb	4-6
Editorial : looking forward to the industry conferences	Mar	4
Editorial : where are the marine issues on the public	Apr	4
Editorial : sustainable fisheries require participation	May	4-5
